**WHEREAS**, persons who represent the Township of Wall as officials, employees and appointees provide critical services to the Township. For purposes of this ordinance, the duty and authority of the Township to defend and indemnify shall extend to a cross-claim or counterclaim against said person.

**Section 5.** The Township may provide for the defense of any action set forth herein and as a condition of such defense the Township may assume exclusive control over the representation of the person who seeks a defense or indemnification and such person shall cooperate fully with the Township.

**Section 6.** The Township may provide for the defense pursuant to this ordinance by authorizing its attorney to act on behalf of the person being defended or by employing other counsel for this purpose or by asserting the right of the Township under any appropriate insurance policy that requires the insurer to provide a defense.

**Section 7.** The Township shall not indemnify or defend any person who is not an employee of the Township or who is employed by, or provides services to, a vendor to the Township or any entity that provides goods or services to the Township including, but not limited to, professional services.
