

**Wall Township
Environmental Advisory Committee
(Sustainable Green Team)**

Mission Statement:

The Committee is established to assist in the protection, development and use of natural resources, including water resources, located within the territorial limits of the township.

The Committee shall also provide environmental education and information to the community by utilizing various projects and activities in implementing these objectives.

The Committee consists of **volunteer members** representing different sectors in the community:

Wilma J. Morrissey, Chairwoman
Rich Mertens, Vice Chairman
Trish Longo McCarthy, Secretary
Suzanne Klinger, Secretary

Ed Loud
Ruth Harris
Bob Baumgartner
Joe Balesterri
Ellen Smith

Committeeman Clint Hoffman
Liaison: Wall Township Committee

Meetings are held at the Municipal Complex, Room B, at 7 p.m. on the last Thursday of the month & subject to change.

You Can Make a Difference!
