Washington Ave.	Water St.	West Beverly St.	West Maplewood Rd.	Winesap Dr.
Windfield Dr.	Woolley Rd.			

Low pressure, discoloration or cloudiness are possible following hydrant flushing. Generally, this will clear up by running cold water for several minutes. Although water is safe to use during this time, residents should refrain from doing laundry when water is discolored and avoid running hot water, as mineral sediments can accumulate in your water heater.

For more information please contact the Department of Public Works at 732-449-2500 ext. 5
