

2018 Wall Township Community Clean-Up Day

Saturday, May 12th, 2018

8 a.m. - 12 p.m.

Wall Township Clean Communities, in partnership with the Wall Township Environmental Advisory Committee, Marine & Environmental Science Station, Boy Scouts and Girls Scouts are calling for Volunteers to help clean up Wall Township's open spaces, parks, streams and lakes.

The Wall Township Environmental Advisory Committee participated in the 2018 Wall Township Clean Community Clean-Up Day on Saturday morning, May 12. Participants, who selected to clean up the Wreck Pond Nature Preserve as one of the chosen sites, included (left): Kim O'Gara, Collections; Wilma Morrissey, WTEAC Chair; Mark Mowinkle, Public Works; and Bob Kilmurray, WTEAC Vice-Chair.

Other clean-up areas beside Wreck Pond, included Camp Evans Water Area, Silo Pond, Wall Municipal Complex/Fields, Fisk, Brice, Airplane and Orchard Parks.
