Poster Awards Ceremony

Sunday, May 20, 2018, at 12:30 p.m.
Wall Township Municipal Complex

Elementary School Winners Grade 1 though 5

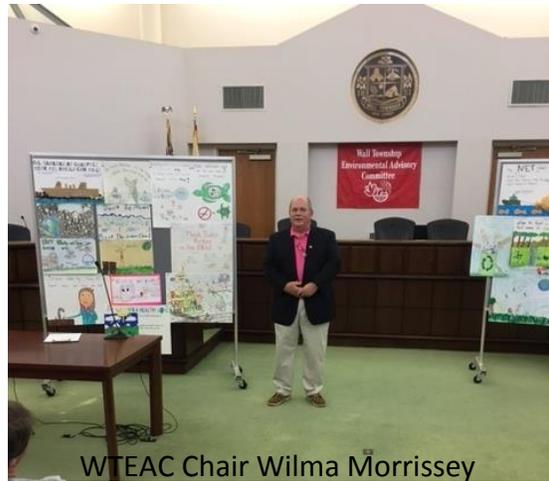

The Poster Awards Ceremony was held on Sunday, May 20, at the Wall Municipal Complex. On behalf of the Environmental Committee, Chairwoman Wilma Morrissey congratulated the winners with pride.

The elementary school winners, grades 1 through 5, received certificates and ribbons from Mayor Tim Farrell and Committeeman Nick DiRocco. Mayor Farrell also read the slogans on each poster and asked the students to proudly identify their posters. First place winners received a check including “best in show.”

In the 28 years, the WTEAC has awarded elementary students with over 700 awards. Lori Lee Corson, who has authored children’s books, presented first place winners with a copy of her book.
