

Wall Township Environmental Advisory Committee
Community Outreach Holiday Card Donation Project
December 2018

The Environmental Committee donated attractive Holiday Greeting cards to Sunnyside Assisted Living and Sunrise of Wall Assisted Living residents. These facilities were selected because the WTEAC presented its Arbor/Earth Day programs to Sunnyside, the Wexford, and Sunrise of Wall. The Wexford sold its facility which is now known as the Wellington.

T

Both Sunnyside and Sunrise of Wall received the above eye-catching packaging of cards contained therein.
