The Wall Township Environmental Advisory Committee [WTEAC] sponsored its 29th Annual Environmental Poster Awards Ceremony on Sunday, May 19, at 12:30 p.m. in the Wall Municipal Complex.

WTEAC Chair Wilma Morrissey welcomed students, parents, and dignitaries. All invited guests congratulated the students with pride.

Committeeman Farrell read the environmental slogans used in all the winning posters, and he asked each winner to identify their poster as they proudly pointed to their work of art.

WTEAC Chairwoman Wilma Morrissey welcomed parents, student winners from Allenwood, Central, Old Mill, and West Belmar schools, Mayor Kevin Orender, Committeeman Tim Farrell, the Principals of the Allenwood and Central schools, and WTEAC Bob Kilmurray.

Left: Erin B. O’Connell, Principal, Allenwood Elementary School and Jill Antoniello, Principal, Central Elementary School addressed the parents and students.

Mayor Kevin Orender

Committeeman Tim Farrell

Mayor Kevin Orender and Committeeman Tim Farrell presented the certificates and ribbons to the Grade 1 through Grade 5 winners. First place winners received a check. Mayor Orender said, "It is truly an honor to be here to congratulate all the winners. It is simply amazing how young minds work. I am very proud of them and the future of Wall Township. The best part is seeing how proud the parents are of their children."

Committeeman Tim Farrell stated, "I look forward to these very special events. The creativity of the children is amazing and every year the posters, poetry, and essays get more sophisticated. The children certainly are on top of the events that are affecting us. Many of the applicants are so young, and they do such a fantastic job! Congratulations to everyone that participated; you all did a fabulous job!"

Chair Wilma Morrissey thanked the students, parents, teachers, and administrators for supporting their children in successfully competing and promoting the environment. On behalf of the WTEAC, Mrs. Morrissey told the students how proud the WTEAC was of their accomplishments and said that the WTEAC and all the dignitaries attending were present to honor them and to contribute to making it a very special day for all the winners.

Mrs. Morrissey stated that in 29 years, there has been over 725 total winners who used their artistic ability in promoting Environmental Awareness. She indicated that the Wall High School Environmental Club chooses the winners under Biology Teacher Joshua Tennant's supervision.

Mrs. Morrissey said, "It was a wonderful ceremony to see the joy and pride of both parents and children – a very special day indeed."

Chair Wilma Morrissey presented the "Best in Show" award to Devin Gottschalk, Grade 3 of Central School who received an additional \$50 check.
