# Wall Fair 2019

Thurs. June 27 to Sun. June 30  
Wall Township  
Environmental Advisory Committee  
Green Recipe Demonstration

The Wall Township Environmental Advisory Committee participated all four nights at the tenth annual 2019 Wall Fair. WTEAC volunteer members, lead person Vice Chair Bob Kilmurray, Chair Wilma Morrissey, Ellen Smith, John Ozell, and Scott Burke manned the WTEAC booth hosting the Green Cleaning Display demonstrating products and recipes for making green and effective cleaning supplies such as oven cleaner, window cleaner, tile cleaner and an all-purpose cleaner.

Amanda Brockwell, Director of Programs and Outreach of Monmouth Conservation Foundation donated coloring books and plant seed packets for distribution. In addition to the WTEAC handouts, the Wall Township Administration and Public Works donated reusable bags to be used in place of plastic single bag use in stores. These green bags were disseminated to Fair attendees by the Environmental Advisory Committee.

*Mr. and Mrs. John Ozell & Family*

*Wilma Morrissey, Art and Ellen Smith*

*Liz Cellini, Recreation Director & Mike Thompson, Recreation Coordinator*

*Deputy Mayor: Mr. and Mrs. George Newberry*
